Sir,

Following your application of 13th October 1969, the Committee of Ministers, having obtained the opinion of the Consultative Assembly, has decided by Resolution (71) 10 of 5th May 1971, to grant Consultative status, Category II, with the Council of Europe to the "Europäische Union der Rechtspfleger"

I am very pleased with this decision which should lead to valuable co-operation between our two organisations.

The provisions that will henceforth govern relations between the Council of Europe and the "Europäische Union der Rechtspfleger" will be found in paragraphs 4, 5 and 6 of the attached booklet.

I remain, Sir,

Yours faithfully
